

“SUSTAINABLE RANCH MANAGEMENT DAY”

**Presented by the Delia Agricultural Society
& Starland County**

Featuring Jim Stone

Jim has practiced sustainable grazing for the last 20 years and has been a mentor to hundreds of ranchers over this time. He also operates a custom fencing and water line installation company to assist ranchers in the conversion to sustainable grazing.

Course Outline

- **Introduction to the Sustainable Grazing Mentorship Program**
- **Sustainability & Your Ranch**
- **Summer Grazing Management**
- **Rotational Pasture Design. Please bring Maps & Photos of your Ranch to assist in developing a grazing plan.**
- **Electric Fence Options & Construction**
- **Winter Feeding Management**
- **Summer & Winter Watering Systems**
